A GUIDE FOR COLLEGE STUDENTS
LIVING & WORKING IN SPRINGFIELD, MO

WELCOME TO SPRINGFIELD

...a city where you can build the life you dream of during college and as a young professional.

This guide is meant to help you get off campus to explore all that our community has to offer. While you're navigating the streets of 417, we hope you experience the Springfield that so many young professionals have grown to love and have chosen to call home after graduation.

campuSGF is a resource provided by The Network, Springfield's hub of connectivity between young professionals and opportunities to advance their careers and achieve their goals in the community. The Network is a committee of the Springfield Area Chamber of Commerce and the area's premier young professionals group - and it gives young professionals endless opportunities to make their voice heard while writing their own chapter in Springfield's story.
